6.1 After the Customer has received the Products ordered by the Customer, the Customer is entitled to terminate the underlying Agreement with FIORESSO within 14 calendar days after receipt of this Product. 6.3 The payments made by the Customer at the time that the Customer cancels the Agreement with FIORESSO, pursuant to Articles 6.1 and 6.2 of these Terms and Conditions, shall be repaid by FIORESSO to the Customer within 14 calendar days after FIORESSO has been informed of the decision by the Customer to cancel the Agreement, including delivery charges (but excluding any additional costs resulting from the choice of the Customer for a different delivery than the cheapest standard delivery provided by FIORESSO). Repayment shall be made by the same method of payment used by the Customer in the original transaction, unless the Customer has

explicitly agreed otherwise; in both cases no fee will be charged to the Customer for such repayment.

FIORESSO is entitled to deduct the reduction in value of the Product as a result of this damage from the amount payable to the Customer.

#### ARTICLE 7 NO GOOD, MONEY BACK

The cost of the return shipment by the Customer, the replacement and/or repair of the Product, and the return of the Product to the Customer shall be for the account of FIORESSO, unless it is plausible that the missing (part of the) Product or the defect to the Product is attributable to the Customer or is otherwise for the account and risk of the Customer. In such case, FIORESSO is not required to repair the defect to the Product or add the missing part to the Product. In such case, FIORESSO shall return the Product to the Customer in the same condition as that in which it received the Product from the Customer.

7.3 If the Customer terminates the Agreement on the basis of Article 7.1 (b) of these Terms and Conditions, the Customer must immediately return the Product to FIORESSO. The costs of the return dispatch are for the account of FIORESSO (but excluding any additional costs resulting from the choice of the Customer for a different delivery than the cheapest standard delivery provided by FIORESSO).
